

Tricon Capital Group Prices \$365 Million Securitization

Toronto, Ontario – December 12, 2017 – Tricon Capital Group Inc. (“Tricon” or the “Company”) (TSX: TCN), a principal investor and asset manager focused on the residential real estate industry, announced today that Tricon American Homes (“TAH”) has priced its second single-family rental securitization transaction of 2017. The transaction involves the issuance and sale of pass-through certificates that represent beneficial ownership interests in a loan secured by 2,621 of TAH’s single-family rental properties, of which 1,417 were added to TAH’s portfolio through the acquisition of Silver Bay Realty Trust Corp. (“Silver Bay”) in May 2017.

On closing, which is expected on or about December 20, 2017, TAH will receive net proceeds from the sale of six classes of fixed-rate certificates having a face amount of \$365 million, a weighted average interest rate of 3.58% and a six-year term to maturity.

The anticipated transaction proceeds represent approximately 70% of the value of the securitized portfolio and approximately 90% of its all-in cost. TAH intends to use the net transaction proceeds to repay a portion of the debt incurred in connection with the acquisition of Silver Bay. In addition to refinancing a portion of that debt, the transaction is intended to reduce TAH’s cost of capital over the long term and to extend the term structure of its debt.

The offering of certificates is being made by Deutsche Bank Securities (as sole structuring agent, sole bookrunning manager and co-lead manager) and BofA Merrill Lynch (as co-lead manager). The various classes of certificates have been rated on a preliminary basis by Moody’s Investor Services, Kroll Bond Rating Agency and Morningstar Credit Ratings.
